Hello, everyone. The final term is well underway. The HSC examinations are completed and we pray that our Year 12 students have performed well. We wish them every success and good news in December when the results are published. The feedback I have received from the students has been positive. Our Year 7-10 students begin their exams this week. We hope that their preparations for these exams and the hard work that has preceded them will be appropriately rewarded. As always, let me stress that we can ask no more of our students than their best effort and that we should reward effort much more than actual results. In the long run, this will yield better results.

As mentioned previously, our College has been fortunate to obtain funding through a national partnerships program to improve literacy and numeracy within the College. This is an exciting program with a proven record of success in trials conducted in many states. It is certainly one of the most impressive programs I have participated in during my teaching career, a program that has the potential to significantly impact the literacy and numeracy achievements of our students. The funding will help us to provide extra assistance for our students most in need, additional resources for use by all and informed teaching practices underscored by the latest and most proven educational research. As part of this program, parents will be asked to complete a survey, providing perspective for the College as we design strategies for the implementation of this program. Your help will be greatly appreciated. Teachers will also provide feedback and there will be a detailed analysis of data collected through internal testing and NAPLAN.

We have had confirmation that the recent purchases from China should be arriving in coming weeks, having been crated and shipped. This will enable the completion of the Commercial Kitchen, Workshops and the second Science Laboratory. These new facilities will significantly enhance the curriculum offerings of the College.

Most people will now be aware that I will not be continuing at St Bishoy next year. I have thoroughly enjoyed my time at the College and hope that in some small way that I have made a contribution to you and your children and the College community. Please forgive me for any short comings that have made your life more difficult. I have accepted a role as Secondary Director at St Mary and St Mina’s College for next year, so I will remain close to the community. Thank you for all of your support over my time at the College; I have felt like family. You could have done me no greater honour.

As always, your families are in my prayers. I pray that God continues to bless the St Bishoy College community.

KINDERGARTEN 2013 AND OTHER ENROLMENTS

The College has limited spots for new Kindergarten enrolments 2013 and other years. Please contact the school office for an application or visit the school website at http://www.stbishoy.nsw.edu.au for the downloadable application form.
CHANGE OF DETAILS
Please notify the school office of any changes of personal details including name changes, addresses, phone numbers or emergency contacts. This is to ensure that we can contact you in case of emergencies and so the school reports are sent to the correct addresses.

UNIFORM SHOP
The College Uniform Shop will be open on: Tuesday 8.30 am to 9am and 2.30pm to 3pm, Thursday 8.30am to 9am and 2.30pm to 3pm and Saturday 7pm to 8pm. Please note: The yellow sport uniform will no longer be worn by students next year, 2013. Students must wear the new blue sport uniform.

WHEN YOUR CHILD IS ABSENT
Dear parents,
We will be using a new SMS system to enquire as to why your child is absent (away). We will be messaging you and asking why your child is away rather than calling, you can simply SMS your reply with the reason your child is away or you can still call the Office on 9675 7433.

PLEASE NOTE THIS DOES NOT REPLACE THE ABSENCE NOTE YOU MUST PROVIDE WHEN YOUR CHILD RETURN TO SCHOOL. (The note is a Board of Studies requirement).

PAYMENTS
Instructions to Parents for All Payments (Photos, Excursions etc..) EXCEPT School Tuition Fees
1. Please write your child’s full name on an envelope. (One envelope for each child).
2. Write your child’s Year and class (for example “4A” Year 4 Class A )
3. Please write the amount of money you will be placing in the envelope on the outside of the envelope.
4. Please include the permission note – without this, students are not permitted to attend excursions etc).
5. It is the parents’ responsibility to ensure the correct amount is placed in the envelope.
6. Please do not approach Reception to get change.
By doing this you are helping to contribute to the smooth running operations of the College.
We thank you in anticipation of your cooperation in this matter.

PROCEDURES
If you have a concern regarding your son/daughter, please make an appointment to see the classroom teacher first or write in your child’s diary. This is very important as the classroom teacher is the initial person who can assist you with your query. If then you feel that your issue has not been resolved, you must proceed to the appropriate coordinator. Following the coordinator you may make an appointment with the deputy, then the principal. If you still feel your matter has not been resolved, you may make an appointment with the college director. Please follow this procedure.

CAR PARK
As you are aware, parking is only permitted in the lower car park on the school premises. Please ensure you park in the appropriate areas and make sure you look out for children. Also, Learner drivers are not to enter the school car park under any circumstances due to the safety and well being of students, parents and guardians. Learner drivers are to park on the street. Also, when you are dropping off students in the morning, park in the parking bay so other drivers can drive out safely.

PLEASE NOTE: The upper car park is reserved for the child care and school staff ONLY. Please make sure you park in the lower car park to ensure child safety.

HOLIDAY
If you are planning to go on holiday throughout the school term, please ensure you put it in writing with the dates and purpose of your holiday to be approved by the College Principal. This is a legal requirement for the school. Thank you for your cooperation.

**SHOES**

**URGENT NOTICE:** Please ensure students are wearing the correct shoes. Please note that boots are not permitted to be worn on any given day at school. Also, black sport shoes are not considered to be adequate for regular school day footwear. It is a uniform requirement that school shoes are to be black leather lace up shoes. Black or white sport shoes may be worn on sport days **ONLY**. Canvas/material/slip on shoes are not permitted on any given day as these kind of shoes do not give appropriate support to children’s feet. As this is a part of the uniform policy, a uniform warning will be given for students who wear incorrect footwear.

The College thanks you for your cooperation.

**LIBRARY BOOKS**

As the end of the year approaching, all Primary students need to return all library books to the school Library by week six (12th – 16th November).

If you have any concerns, please do not hesitate to contact the librarian. Please note any outstanding items after these dates will be considered lost and invoices will be issued to recover the cost of these items.
BOOK CHARACTER PARADE
The Book Character Parade was held on 26th October. It was great to see all the students dress up as their favourite character. The teachers also dressed up and everyone looked amazing. Thank you to everyone who took part and helped organise the event.

REMEMBERANCE DAY
On Friday 9th November, grades 3-11 attended a Remembrance Day Assembly to remember those who died at war. Remembrance Day was on Sunday the 11th November.

YEAR 8 ART EXCURSION
On Friday 19th October, Year 8 went on an art excursion to Bondi Beach to see Sculptures by the Sea. We saw amazing sculptures and amazing art and we even saw things that inspired us to be more artistic. After we saw the sculptures, we went to the beach. We played in the sand; we played beach volleyball and the teachers even let us wet our feet in the water. At the end of the day, we saw amazing artworks and we enjoyed the beach. We came back with lots of lovely memories.

OFFICE DISPLAY

WOW! Have a look at what Kindy has made for the office display board. It is great to see that Kindergarten also got into Remembrance Day. The display also shows the wreaths made by other classes for the assembly.

Next time you are in the office, take a look at the great work students have done.

P & F

The P & F will be selling jelly cups every Friday until the end of term 4. The jelly cups will be available for $1 each and will be on sale in the undercover area. All money raised will go to the school to be used for the students. If you would like to help Mrs Georgi with selling the jelly please see Mrs Ferrett.

The Principals Breakfast is not far away for all those students that have reached their gold merit badges, to ensure this morning goes ahead and runs smoothly the P & F will require parent helpers on the day. If you are available to help, please see Mrs Ferrett or Mrs Georgi. Your support will be greatly appreciated.

We urgently need the help of 10 mums to help out with the College Canteen.

Do less, not more, for your kids

With school-aged children we can find ourselves making lunches, getting kids out of bed and cleaning out schoolbags rather than giving these basic tasks of living over to them.

The basic task of parenting, whether you have a two-year-old or a twenty-two-year-old, is to work yourself out of a job at the first possible chance.

REDUNDANCY should be the aim of the game! We never become redundant in a relationship sense – the emotional connection between our children and us is never severed.

In a practical, physical way we need to make children less, rather than more, reliant on us.

Developing independence is really about stepping back to allow children in. Doing less rather than more!

We develop greater independence in our kids one job at a time.

Recently I gave my 22-year-old son a job that I had been doing for a while. He lives in North America and I had taken on the job of being the connector between him and one of his sisters, who lives in the UK. It had been my job to pass messages on between the two via telephone and emails. I would update each of them about how the other sibling was going.

Frustrated being the go-between I made sure he had contact details and let him know that it was his job, not my job, to connect with his sister.

We easily take on children’s responsibilities

It is easy as parents to take on the jobs and responsibilities that really should belong to our children. With toddlers it is so easy to dress, feed and clean up after them rather than give these jobs over to them.

With school-aged children we can find ourselves making lunches, getting kids out of bed and cleaning out schoolbags rather than giving these basic tasks of living over to them.

And as I discovered, it is easy to still do the basics of life for adult-aged children.

TIP NO. 1 for developing independence:

Be clear about who owns jobs or tasks in your family and never take on a child’s job, or part of a task, unless there is extenuating circumstances such as illness.

A mother I met recently was very clear on who does what in her home. It is her job to wash the clothes of her early teenage children but it is their job to place them in the washing basket. She doesn’t check bedrooms as it is not her job to place kids’ clothes in the washing basket.

Okay. I can hear your thought processes. Sounds good but what happens if kids don’t do a good job and they don’t mind being dirty.

Good point. In this case, this mum has a son who is, to say the least, fairly slack in the area of hygiene. But she didn’t become overly fussed about that.

She certainly didn’t get fussed when he played a game of football in the wet, muddy jumper that lay in his sports bag for a week. And she happily showed him how to work the washing machine when he wanted his favourite shirt (that he forgot to put in the washing basket) to be washed for a special night out.

TIP NO. 2 for developing independence:

Now be more worried about a child’s job than they are, otherwise it becomes your job, not theirs.

This mum remained very clear that it was her job to wash the clothes but not to place them in the washing basket. She would remind kids about washing night, but never nag them to put clothes in the basket.

She knows that as soon as she leaves reminding them, it becomes HER job rather than her children’s job to put the washing in the clothes basket.

The school holidays provides a good opportunity to reflect on the whole notion of job-sharing. It’s also a good time for kids to increase their job load when they are not burdened with schoolwork and extra-curricular activities.

Here’s my challenge for you: Think of a job that you regularly do for your child that he or she can do for him or herself. Then step back and enable your child to do that for themselves on a full-time basis. Do less not more for your kids.

If you do that, then you can congratulate yourself as you have moved one step more toward REDUNDANCY.

COMMUNITY NEWS

Father Shenouda's Food Donation - High School 2012

The SRC in the High School have come up with a wonderful initiative to help assist Father Shenouda’s charity at Coco’s in the city.

We have made a timetable for a class, each week, to donate food and help Father Shenouda. There will be a box inside the High School Staffroom for students to place their donation. All we ask is for a small contribution during your classes designated week. All donations will be boxed up on a Friday afternoon and given to Mrs Helou, who helps Father Shenouda each week at Coco’s.

For those of you who are not familiar with Father Shenouda’s work at Coco’s – It is a non-profit organisation which has been running for over 20 years. There are 2 locations at Parramatta and in the City, all run on a Tuesday evening. He gets over 100 homeless people at each Tuesday night, serving them home cooked meals and providing them with clothing and blankets. He also supports them with medical assistance and job seeking opportunities.
